

NGUYỄN KIẾN QUỐC

Web Developer

13/10/2001 kienquoc1310z@gmail.com 0947409979
 <https://github.com/KienQuoc1310>

About me

With my technical knowledge. I enjoy solving Backend problems, building and maintaining databases and creating APIs that allow different parts of the application to communicate with each other.

I also spend time learning new technologies and best practices to become a better engineer.

Education

Can Tho University

Information Technology

09/2019 - 02/2024

Certificates

TOEIC

(04/2023)

765 points
